

**Remarks/Arguments:**

Claims 16-19, regarding a method of treating an animal to reduce food intake, are being added herein. Support for these claims is found in the specification, for example, at page 43, lines 19-24, and in Fig. 8B. Therefore, as the Examiner will appreciate, there is no new matter added by amendment. Applicant believes that the pending claims are in condition for immediate allowance and such prompt and favorable action is earnestly solicited.

Respectfully submitted,

Date: April 27<sup>th</sup>, 2006
